

A statement from Bishop Michael W. Fisher statement.... "The horrific tragedy at Robb Elementary School in Uvalde Texas – robbing young lives and a devoted educator of their future and inflicting immeasurable grief on their loved ones – echoes the despicable act that has devastated Buffalo. As a nation, we have hard and urgent questions to answer. How much more can we take of such random violence and the callous disregard for human life? When and how will we end the scourge of gun violence in our communities – our grocery stores and schools? Our hearts ache for the loss that the community of Uvalde has suffered today, even as we continue to pray and strive for the comfort and healing of our own."
